

About

ZOCCA COATINGS, founded in 1967, specializes in coatings for industrial applications aimed at enhancing anti-corrosion, anti-wear, non-stick, and anti-friction properties. The company serves diverse sectors, including pharmaceuticals, food, packaging machinery, automotive, with a specific section for aerospace-based activities. Collaborating with OEMs, ZOCCA COATINGS is committed to innovation, quality, and custom solutions to meet the evolving needs of the manufacturing industry.
